DEVRY UNIVERSITY MOVES IN TO SAN ANTONIO

Having announced plans to enter the market late last year, Oakbrook Terrace, IL.-based DeVry Inc. has now chosen just where its new local facility will be located.

The firm recently signed a long-term lease for 11,000 square feet at the First American Title Building, which is located at 1919 NW Loop 410 in North Central San Antonio. Cross & Company's Ryan Smith handled lease negotiations for DeVry. DeVry will use the space to open its newest DeVry University Center. Plans call for the facility to offer undergraduate degrees in business administration, technical management and computer information systems. Through its Keller Graduate School of Management, the DeVry Center will also offer graduate degrees in business administration, project management and information-systems management. San Antonio marks the latest Texas city for DeVry, which already has a presence in Fort Worth, Houston, Irving and Plano. The educational firm also recently opened a center in Austin.
